

- **MasterCard, Visa and American Express are accepted by the facility.** Debit cards, cash, cashier's checks, certified checks and money orders are also accepted. No personal checks, please.
- **Self pay patients will be required to pay for services on or before the admission date unless other arrangements have been made.**
- **In the event any of the above requirements cannot be met, the facility will attempt to make other financial arrangements.** These arrangements must be approved by the Administrator. If you have questions about financial arrangements, please call our Business Office Manager at (856) 751-4555.

We are proud to be an accredited ASC by The Joint Commission. The Joint Commission accreditation is recognized nationwide as a symbol of quality that reflects our commitment to high performance standards of patient care.

If you have any quality of care or safety concerns about this center, please contact the center's management. If management cannot resolve the problem, please notify Joint Commission at 1-800-994-6610 or [complaint@jointcommission.org](mailto:complaint@jointcommission.org).

The physician who refers you to our surgery center may have an ownership interest in this facility. You are free to choose another facility in which to receive services.

This facility and its services are accessible to persons with disabilities.

This facility has agreed to comply with the provisions of the Federal Civil Rights Act of 1964 and the New Jersey Human Relations Act and all requirements imposed pursuant thereof to the end that no person shall, on the grounds of race, color national origin, ancestry, age, sex, religious creed, or disability, be excluded from participation in, be denied benefits of, or otherwise be subject to discrimination in the provision of any care or service.

*\*The center does not provide services to patients under 18 years old.*

## Patient Information

## Welcome to Millennium Surgical Center

Your physician has referred you for treatment or diagnostic studies related to your condition. We're looking forward to providing you with the highest quality of care.

Before your scheduled appointment, please read over this brochure carefully and call us at (856) 751-4555 with any questions. One of our nurses will call you a day or two prior to your procedure to obtain your health history, provide you with an arrival time and with pre-operative instructions, and answer any questions you may have.

Our ambulatory surgery center is equipped with state-of-the-art operating rooms and is staffed by highly qualified personnel. Our goal is to provide our patients with the highest quality of care in a convenient and friendly environment.

## Preparing for Your Procedure

- **Plan to arrive approximately one hour before your procedure time.** This time is required to complete your paperwork and prepare you for your procedure. Your arrival time will be given to you by the center's nurse the day before your procedure. If you do not hear from us by the day before your scheduled surgery, please call (856) 751-4555 and ask for the pre-op nurse.
- **You must have a responsible adult to bring you and take you home.** If you have no driver, your appointment will be cancelled. In some cases, the responsible adult may have to stay with you for several hours after the procedure. If using public transportation (i.e. taxi), you must have a family member or friend accompany you. Your doctor will give you specific instructions on the day of your procedure as to when you can return to work.
- **Bring a list of your current medications and drug allergies.** If you are taking Coumadin, Plavix, Aspirin or anti-inflammatory medication (i.e. ibuprofen, Aleve), please make sure your surgeon is aware and has given you instructions about these medications. Please give us a call if you think you are pregnant.
- **You will need to bring your insurance and identification cards with you, including Medicare.** Also bring a photo ID. Motor Vehicle Insurance patients will be required to pay their deductible, if applicable, on or before the day of treatment.
- **Leave all valuables and jewelry at home.**
- **Wear loose, comfortable clothing** such as elastic waist pants, a T-shirt and slip-on shoes.
- **No food or drink after midnight the night before your scheduled procedure.**
- **Please take medications as directed by our nurse during your pre-procedure phone evaluation.**

## After Your Procedure

- Rest on the day of your procedure.
- You may feel dizzy, lightheaded or sleepy for 24 hours or longer.
- **Do not consume alcohol, drive, operate machinery, or make important personal or business decisions for 24 hours.**
- A sore throat may occur.
- Drink lots of fluids and progress to solids as tolerated.
- Call your doctor if you experience any of the following:
  - > Temperatures over 101°F
  - > Excessive pain
  - > Signs of infection
  - > Swelling or bleeding
  - > Continued nausea/vomiting
  - > Excessive drainage
- A surgery center nurse will call you the following day regarding your recent stay.

**In case of emergency, call 911 immediately.**
